Mr. Eldin Polhamus, President
Tri-County Sportsmen Motorcycle Club, Inc.
PO Box 146
Port Elizabeth, NJ 08348

Dear Eldin:

Once again, the Administrative Council of the Heisler Memorial United Methodist Church would like to express our sincere appreciation for the support the Tri-County Sportsmen Motorcycle Club has shown. Your generous gifts over the years have been used in so many ways.

This year, our newly appointed Board of Trustees have some projects that need to be tackled and could be costly. The Sunday school house has a new porch roof (FINALLY!) and painting can be finished when the weather breaks. But, the heating system and possibly the well need to be checked. (With fuel prices at such ridiculous highs, we cannot overlook efficient heating.) The \$500 you have donated can offset the costs for projects like these and make our dollars earmarked for the Sunday school house possibly available for other areas.

Please let your club know that we recognize their genuine support of our endeavors to expand our Sunday school and reach our community's children with the Gospel. May God bless you for giving to the work of the Kingdom.

Sincerely yours,

Louann Karrer
Administrative Council Member
