To Whom It May Concern:

For all the directors, staff and residents, let me express my sincere appreciation and gratitude for the work your TriCounty Sportmen's Motorcycle Club, Inc. did to help clean up and beautify Malaga Camp.

We are a small Christian organization that provides a Christian camping experience for more than 300 children and youth, including four weeks of Handi*Camp. All this is in addition to a two week family camp, Sunday Evening services, a Labor Day Weekend Conference, plus Gospel concerts and special programs.

It is very important to us for our camp to present a good appearance when our many visitors come on the grounds. With many of our residents being quite elderly and not in the best of health, it is very difficult for us to accomplish this without help.

The effort you put forth in cleaning up our grounds was a blessing from God. Thank you very much. May God bless you as you reach out to help others.

Sincerely,

Rev. Paul W. Pedrick
